Display of Traditional Watercrafts of Canada's North

Yukon First Nation Culture and Tourism Association received Canada 150 funding to present an extraordinary collaborative project that will celebrate traditional modes of aquatic travel used amongst indigenous people and early explorers. The project will bring together indigenous master artists and apprentices from across the North to construct traditional watercraft vessels:
birch bark canoe, dug-out canoe, moose-skin boat, seal-skin kayak.

\$20 Per Person. Space is limited.
